Snow Fun at Oak Lodge

L1 have been making salty snowmen in science. On Tuesday, they had the opportunity to make a real one which was colder, but much more fun!

From the Head Teacher

WINTERWONDERLAND

Saturday 18th December 7PM- 11PM

Clive

Saturday, 18th December 2010

7.00PM- 11.00PM

Clive is back for our last club night of 2010!

Once more, we'll have DJs and VJs mixing some great music, so get on the dance floor and show us your moves. See some fantastic live acts perform, take to the stage with the open-mic, take it easy in the chill-out room, play computer games, or refuel with a meal in the café.

Clive is a great opportunity for young people aged 14 – 25 with learning disabilities (and their friends and family) to socialise in a fun and safe environment. Parents and carers can unwind with a free glass of wine and a massage in our dedicated space for adults.

With all this fun to be had, Clive is a friend who can't wait to meet you. Tickets cost £5 from www.artsdepot.co.uk

Ages 14 - 25

From the classes.

In this cold weather, this is what we need;
a book and a nice cup of tea.

Our Year 10 Vocational History option group have been studying blue plaques. We went out in cold weather on Wednesday to the Ridgeway in Mill Hill to explore some local history. We found 3 blue plaques, which remind us of three people who did special things in their lives. We found the plaques for William Wilberforce, Peter Collinson and Sir Stamford Raffles. William Wilberforce abolished the slave trade, Peter Collinson was an author, naturalist and botanist and Sir Stamford Raffles was the founder of Singapore.

On a very cold Monday, our Year 11 history group spent the day at RAF Hendon. We looked at most of the exhibits. We saw the film about 'The Battle of Britain' and we even got thrown around in the RAF fighter aircraft simulator! Now we all know what it must be like to be an RAF fighter pilot.

Hi, we have had another great week in S8. Alex, Asher, Jack and Lily went to the RAF museum in Hendon with Miss Adams for history. We all had a very interesting time looking at the fighter planes. Lily, Jack and Alex went out to lunch at the Wessex café and had a great old time. We'd like to thank Miss Adams for organising and making the trip a lot of fun. Julio headed up to Scotland on Wednesday for his mum's wedding. Hopefully, he's not snowed in. Thomas and Alex each made a delicious Christmas cake in cooking. And lastly, Asher finished another book, 'The Wizard of Areeia Hill'. It's a gripping tale set in the fictional world of Quala. It tells of a meagre farmer's son called Krowlus and his terrifying journey westward to the farmers' market in Stophat. Hope everyone is enjoying the snow and has a lovely weekend.

Students in P2 organised their 'Cheese Toastie' sale on Tuesday. Although it was cold and snowy outside, we were warm inside the 6th Form Café as we were very busy making and selling the toasties. It was hard work but we had lots

of **FUN** and our enterprise was a **GREAT SUCCESS**. Students and staff would like us to open up for business regularly. We would like to thank our customers who came to visit and taste our toasties!!!! Hopefully, we will be back soon! Here is a snapshot of the day:
