Happy New Year

S3 are really doing well with their yoga practise. Well done girls, your hard work and concentration looks like its paying off.

From the Head Teacher

Welcome to a New Term and a New Year

Congratulations to Miss Adams who successfully climbed to the top of Mount Aconcagua, which is the highest mountain in the Western Hemisphere, during the Christmas Holidays. A fantastic achievement!

Focus Groups

In February, Barnet Council will be running two focus groups that will aid us in researching how to best communicate with families in Barnet.

The focus groups will take place on:

Date: Wednesday 1 February 2012

Time: 11am - 12.30pm

Location: North London Business Park

Date: Monday 13 February 2012

Time: 6pm - 8pm

Venue: Parkfield Children's Centre

Light refreshments will be provided.

The group aims to:

- establish the awareness of FYI and the information, advice and guidance they provide
- ascertain where parents currently go for information, advice and guidance
- discuss preferences in receiving information
- determine what information Barnet parents need.

If you have any queries, or would like further information please call the free phone number 0800 389 8312.

Lynda Walker

S5 have had a great start to the new term, with great results in the Maths test we had yesterday. Andrew was top of the class with 100% in his test with Daniel, Nathan and Louise coming close behind. Well done to everyone as you all studied hard and showed great improvement.
