## From the Classes

L3 are proud of completing their Geography projects and will be taking them home next week to show their parents! They have also all really enjoyed P.E. this week, carrying on with the skipping they began last week, and are all improving! The boys were swimming this week, and everyone found it to be an immense amount of fun!

I enjoyed football on Wednesday, I was a defender.

I enjoyed cycling in PE.

I found the noise in class difficult.

Saghar- I learnt about anger in PSHE using Angry Birds and I made a squezy ball with a balloon and flour.

I really liked cycling. I did football.

I drew bug-like creatures in Art.

I liked playing football.

## From the Classes

Some students from P5 had work experience during the week. On Monday, Oona went to Cancer Research, we had P.E. with Glenn and we used the trampolines and it was fun!

On Tuesday, Guillaume helped S3 in P.E.

On Wednesday, some students ran Freshfield's café and Siobhan helped Trudi teach a lesson. It was also Guillaume's 19<sup>th</sup> birthday and we had a little party. We sang and danced to Gangnam Style. Sarah and Aisha had textiles in the afternoon and Sarah made a bag with a red and pink heart. Aisha also made a phone cover. She used different colours: pink, orange and yellow which made it look awesome.

On Friday, Ashish, Joseph, and Guillaume went to Action for Kids and Steven worked with Martin. We like work experience because we are learning new skills and we are feeling more capable.

Well done Yasmin, your first Art Club was a huge success!
