Well done to those Oak Lodge students that travelled into the centre of town to watch Cats the Musical. A great time was had by all even on the way back home in London rush hour!

Sixth Form Art Option Group Designed Cat inspired Masks
On Thursday students from the Upper school took part in the Barnet Bar No One sports event at Hendon Leisure Centre. The event was attended by other special schools from the borough including Mapledown and Northway. The students all performed well in the events which included dance, tag rugby and New age curling. The event was expertly hosted as usual by Saracens who made sure that there was a broad range of accessible sporting activities for our students.
Valentines Disco

Love is in the air at our special Valentine’s Night. Clive returns with another fun-packed club night for young people with learning disabilities, their friends and families.

Slip on your dancing shoes and bust out some moves to tunes spun by our DJs, take to the stage and wow the crowd on the open-mic, or just kick back in the chill-out room. Parents and carers can relax too in their own space and enjoy a complimentary drink.

£5 in advance / £6 on the door Ages 13 - 25

Inset Day
Friday 13th February. School Closed.
P5 showed lots of imagination during their search for ‘Patterns in the Palace’ at Kensington Palace! On a cold snowy day, Kensington Palace was ‘magical’ with all the vibes from P5 as they waltzed round all the state rooms in search of patterns! They certainly found them and used them to make their own Royal designs. Well done to P5!
