The KS4 Local History group went to ~East Finchley library to find some old black and white photographs of East Finchley.

Members of class 12 have been acting the story of the Nativity in preparation for a future trip.

P3 went on the Fun Day bus to the Postal Museum . We went underground on the Mail Rail train. We then toured the museum and had fun trying on all types of postal uniforms! We also had fun sending each other messages through the 'postal tube!'. Beth gave us a work shop called 'Once upon a bicycle'. Many thanks to Jeff for being our driver and to Beth for our lively workshop!

The KS5 Local History group went exploring Kenwood Park and Kenwood House! The autumn colours were truly beautiful in the park. The house was very grand too! We had to thoroughly clean our shoes before entering the house.

Students from KS4 have been baking cakes for Children in Need. We are looking forward to raising money for a good cause and to eating the yummy cakes.

arts depot

Oak Lodge are working with the Arts Depot in North Finchley to provide work experience for our students in the 6th form. The students are really enjoying the experience and are learning about working in the arts. We are planning to collaborate with the Arts Depot to provide a dance project and an exhibition of the students work in 2020.

The Arts Depot provide a wider range of Shows and workshops for people of all ages and it is a fully inclusive space with a quiet area for those who need it .
