Before we do a sixth-form 'Tourist' trip, we are learning how to 'look the part!!!!'

The day Class 1 had been booked to fly, but it poured with rain. This did not deter their enthusiasm. They had the 'best' day ever at RAF Hendon in the pouring rain and the 'best' meal ever in the Watford Five Guys! A huge 'thank you' to the manager of the Watford Five Guys for giving us such a huge 'welcome', wonderful meals and Five Guys caps! We want to come back!

STRICTLY SARRIE

AREA: ALLIANZ PARK, BARNET

WHEN: MONDAYS (TERM TIME) 5.00PM – 6.00PM

Strictly Sarrie is our disABILITY dance provision for individuals aged 14 to 24 with high functioning disabilities. It offers an opportunity for young people with a disability to be part of a dance club as well as importantly increasing their health and fitness levels.

The sessions are led by Saracens dance coaches and supported by a base of volunteers, but with input from the group participants who are encouraged to take ownership of the sessions, choosing the dance styles, music and choreography to focus on. Dance routines range from street dance and cheerleading through to freestyle dance. At the end of the session the group always have a chance to talk about the highlight of the week and cement friendships made. The session ends when stickers or certificates are awarded in front of parents.
