## Back to School!

We are very happy to welcome our students back to school this week, it has been lovely to see the school filled with students. We thank you for your ongoing support over the past year.

We studied two types of warthogs found in deserts! One has legs and one has wings! This student is pointing to the A-10 aircraft which is called a Warthog because it is fast, brave and ugly!

We also studied the desert warthog with legs. Warthogs have poor eyesight, so we kindly lent our warthog called 'Walter' a pair of spectacles.

Mr Damian the Art Teacher is incredibly proud of all the hard work the students put into to their Zoom Art lessons. Over the last term students have been learning about shape and colour, I think you will agree the work the students produced is fantastic.

# LOST PROPERTY

We have a rather large amount of lost property in the school cupboards, PE kits, swimming kits and a number of brand new Jack-ets. Please get in contact [julia.ray@oaklodeschool.org](mailto:julia.ray@oaklodeschool.org) and we will arrange for these to be sent home. If they are not claimed by the end of the summer term we will have to give them to charity.
