Class 4 have been learning about the water cycle. They have made a very colourful and very 'tactile' wall chart to explain the very important water cycle!

 

Short Breaks and Articulate open day

Hear about Community Focus's Short Breaks and Articulate and find out what have to offer.

Bring your own picnic and come and join us for a day of fun to celebrate Community Focus opening up again.
Drop in drumming and art activities as well as games and refreshments.
Meet other parents and speak with CF staff and the project managers.

Saturday 17th July 2021
1pm - 4pm

To book your place or for more information email Clio the Short Breaks Project Manager on clonie@communityfocus.co.uk or the Articulate Project Managers sophie@communityfocus.co.uk or lili.barcroft@communityfocus.co.uk or phone the office on 0203 743 9905

We have been studying Yorkshire so we stopped the lessons for a cup of proper Yorkshire tea! To put us in the mood, while drinking our tea we saw photos of the beautiful Yorkshire Dales. A great Yorkshire brew!

Class 12 have been learning how to create double exposure photography using digital editing techniques on the iPad. Some students even learnt how to levitate!
