

## 2020-2021 Results

Our aim, despite the pandemic through 2020 – 2021, was to enable any Entry Level/ GCSE students continue their programme of study, to give them the best chance of achieving an award. This was particularly the case for our July 2021 leavers. We offered intensive study for a smaller cohort of learners to enable them to complete externally assessed awards to enable them to progress to the next stage of their education.
