Policy Statement

All students at Oak Lodge School who are candidates for external qualifications have the right to make an appeal about any of the outcomes received for the qualifications they are undertaking.

If any candidate wishes to appeal a decision, they should observe the following procedure.

1. Speak to the member of staff responsible for teaching the qualification in the first instance about the reason they wish to appeal.
2. The member of staff will explain to the candidate why he/she received the outcome.
3. If the candidate is not satisfied with this explanation, their portfolio will be internally re-moderated against appropriate standards for that qualification.
4. The candidate will be informed of the outcome of the internal re-moderation.
5. Where a candidate or the school is not satisfied with the outcome of an enquiry about results they may appeal to the relevant awarding body to review the school's/candidates evidence.
6. If a member of school staff and/or candidate wishes to continue the appeal, he/she needs to contact the school exams officer, who will provide information about the appeals procedure for the relevant awarding body and explain what is involved. The exams officer will also assist with the completion of any forms and will correspond with the relevant awarding body on behalf of the candidate.
